

going the distance?

go for gold

The pretty impressive performance of pure palm oil is a Surefry success.
Surefry Gold goes even further-and goes-on frying for longer!
The new, extended-life, solid vegetable palm oil that puts improved stability
and longer lasting fry performance back into your fryer

- Extended life solid vegetable oil
- Improved frying performance
- Terrific taste, quality and consistency
- Longer-lasting fry stability

Surefry Gold is manufactured exclusively in the UK by Nortech Foods, Britains largest refiner and packer of edible animal oils & fats.

new technology behind traditional tastes.
